Dear Reverend Dr. Kenneth Baily,

On behalf of Family Promise Metrowest and the people we serve, I want to extend my appreciation for your congregation's donation of \$625.00. While the Family Promise Network has grown considerably over the years, our congregations continue to be the foundation for all we do.

Family Promise Metrowest welcomed our first family into shelter in 2008. Since then, we have launched a stabilization program to support families transitioning out of shelter, and a homelessness prevention and shelter diversion program to help families avoid the trauma of losing their home. Our approach to addressing family homelessness and housing instability is simple. We believe motivated, hard-working families can move out of poverty and create stable homes if they are given encouragement, guidance, and the resources to reach their goals. We know if we all take a role in addressing this issue as a community, we can change lives permanently.

We are excited about all we have accomplished over the years and know that our success is a direct result of your generosity. Thank you for taking this journey with us and reminding our families that we are all with them every step of the way.

Sincerely,

Danielle Conti

Rev. Baily? Friends,
Thank you for your continued
support. We could not do all
we do to help families with
children transform their
lives without the support
of our community.
Danielle
