Throughout the Greater Boston area, workers in warehousing, food processing, house-keeping, personal care and many other occupations are not paid enough to live on. During the winter months, those already struggling to survive are at even greater risk of disaster. That's why **EASTERN SERVICE WORKERS ASSOCIATION (ESWA)** needs you to join our Winter Survival Campaign!

ESWA is an all-volunteer, non-government funded membership association uniting low-income workers and concerned residents so we can fight to change poverty conditions and the policies that create them. Our Winter Survival Campaign includes volunteers canvassing low-income neighborhoods to reach those most at risk during harsh winter weather; distributing supplemental food, blankets, heaters and winter clothing; conducting utility bill advocacy to prevent shutoffs, and more.

The Super Bowl Sunday Tamale Benefit supports ESWA's Winter Survival Campaign! You can help by ordering tamales, collecting orders from your friends, or even helping to make tamales.

Supplies are limited! Call ESWA today and let us know how you can help.
