

## **TOUSSAINT LOUVERTURE CULTURAL CENTER (TLCC)**

Dear Newton Highlands Congregational Church,

We would like to take this opportunity to sincerely thank you once again for your generous donation and support of the Toussaint Louverture Cultural Center (TLCC)! Your contribution is instrumental in helping us share the history of Haiti and our global accomplishments with the world.

More than ever, your support is needed. There are individuals and groups seeking to damage our culture and reputation through negative rhetoric and misinformation. With your help, we can fight these efforts and continue to uplift the true legacy of Haiti and its people.

Your donation enables us to protect and preserve our rich cultural heritage, ensuring that Haiti's extraordinary history, resilience, and contributions to the world are accurately represented and celebrated. Through our programs, including educational initiatives, community events, artistic development, and performance opportunities, we are creating a platform to highlight Haiti's global significance and its ongoing impact. Your involvement plays a crucial role in helping us bring our vision to life.

We are excited to be one step closer to the grand opening of the first Haitian Cultural Center in New England. This milestone will allow us to provide essential educational programming, foster artistic development, and create a lasting legacy for future generations.

Let us come together as a community to support TLCC's mission, ensuring that Haitian culture receives the visibility and recognition it truly deserves. Feel free to visit our Instagram at <https://www.instagram.com/tlccmass/> to learn more, and we will invite you to upcoming events.

Thank you again for your time, consideration, and unwavering commitment to fostering a diverse and inclusive cultural landscape

Sincerely,

Marvin D. Mathelier
